Objective

My objective is to gain hands-on experience, deepen my understanding of technology fundamentals, and contribute actively to projects. I aim to learn continuously, collaborate effectively, and develop skills to excel in the dynamic IT landscape.

Experience

JUNE 2022 - PRESENT
Jr Sous Chef | Crown Resorts | Perth, WA
Kitchen manager

Previously, I worked as a professional in the hospitality industry. I am now eager to transition into the IT field to further develop my technical skills and assist people who need IT support.

Communication

Strong communication skills are essential in IT. As an entry-level professional, I prioritize clear email correspondence, active listening, and confident presentations to enhance collaboration and ensure project success.

Teamwork

As an IT entry-level professional, I focus on leading by example, fostering teamwork, and taking initiative. I embrace challenges, actively seek feedback, and strive for continuous growth to become a respected team-member in the field.
